

THE LORD USED RSA IN 2008

At RSA, the Lord has been using us to change lives. Will you partner with us to reach even more people with the Good News of Jesus Christ?

April - Kingston, Jamaica

12,500 people heard the Good News of Jesus through school assemblies and street and park outreaches. **4,055 people made decisions to follow Jesus Christ in Kingston.**

I met Ricky on the street in front of Harvest Tabernacle Church and I shared the Good News of Jesus Christ with him, quoting John 3:16. God touched Ricky's heart and he gave his life to the Lord! Ricky was so amazed that God loved him and actually wanted a relationship with him!

June - Romania

1,799 people heard the Good News of Jesus at outreach events, 527 of whom made decisions to follow Jesus Christ!

Maria invited two of her friends to a youth outreach in Ramnicu Valcea. At the event, she heard me share the Good News and give an invitation. Maria told me that she was moved to tears when she heard that Jesus died for her, and she prayed to receive Him as her Lord and Savior.

August and September - Rwanda and Uganda

RSA Executive Director Brett Butcher and I were able to travel and **share the Good News with 21,000 people** at Hope Rwanda Festival and Arise Africa Conference. 1,100 people made decisions for Jesus Christ and 450 pastors were trained in evangelism.

It was in Rwanda that I met Mugisha, who came to the

festival searching for purpose in life. God moved in his heart; and at the festival Mugisha trusted Jesus Christ as His personal Savior and Lord. Mugisha told me, "Tonight, God convicted me of my sins. I knew that I needed Jesus Christ in my life."

October - Romania

This year, RSA brought our first medical team to Europe! 1,980 people heard the Good News, 474 were treated in medical clinics, and 575 people gave their lives to Jesus Christ!

At a clinic in Bacau, Brett met Maria. After he spoke with her for about 15 minutes, she decided she wanted to give her life to Jesus. Brett encouraged her to read the Bible every day, starting with the book of John; and she said she would read the entire book of John that same day! Brett could see that the joy of the Lord was finally in Maria's life.

In 2008, I also had several opportunities to share the Good News at churches, schools, camps, and even at a soccer match!

In total, RSA ministered to nearly 40,000 people this year, 6,414 of whom made decisions for Jesus Christ!

OPPORTUNITIES IN 2009

Next year, I look forward to serving Jesus with you as the Lord opens new doors of opportunity. In January, a small team will travel to **Manipur, India** to make preparations for a mission in 2010. The Lord has made a way for you and me to bring the Good News to a tribal group of people near the Burmese border. I can't wait to tell you more about this mission field in the days to come – I know you'll want to participate!

In the spring and fall, Brett and I will be in the classroom again teaching **Evangelism (Theology 132)** at **Corban College** here in Salem. During spring break, a tentative

mission to **South America** is scheduled. Another possibility is a mission to **Scotland** this June.

In September, you can be part of a team sharing the Good News with me in **southern Sudan**. This war-torn area is open to evangelism right now, but possibly only for two more years!

I'll look forward to sharing more specifics with you in the coming months!

Please make sure you check our website for updates and the most current information (www.reidsaunders.org or www.seasonofharvest.org).

I appreciate your interest in evangelism and discipleship. If there is anything I can do to help you fulfill God's calling on your life to reach your neighbors and loved ones for Jesus Christ, please let me know. May the Lord bless you as you trust in Him.

All for Jesus,

Reid Saunders
