

**In 2009:** Reid Saunders Association had the privilege of sharing the Good News of Jesus Christ in person with over 115,000 people around the world (in Nicaragua, El Salvador, Guatemala, India, Scotland, Southern Sudan, Canada, and the United States). Over 13,000 of those men, women, and children made decisions to receive Christ and live for Him. The RSA medical team treated over 1900 people in Guatemala and Southern Sudan.

When the RSA team was seeing the city of Imphal they noticed one of many gravel-crushing sites and asked the driver to pull over. They were able to meet some local workers who traveled from Nepal to find work in Manipur. Brett asked the workers if they had ever heard the name Jesus Christ; the answer was no! Brett and the others arranged to come back at the end of their work day with bread and water and the message of Good News. Later that day the men returned to the workers. Brett gave a one-hour teaching from Creation to the Cross and asked the workers if they wanted to receive Jesus Christ into their lives. All 13 workers prayed to begin a relationship with the Savior! Praise God!

In Mallaig, Reid was able to share the Gospel in a high school in the morning and invite the students to come to the festival that night. Lauren and Frankie heard the invitation and showed up at the festival where both girls gave their lives

to Jesus! After the invitation, a woman named Karen counseled Lauren and Frankie. Later, Karen approached Reid with tears in her eyes and shared:

*"I have been praying for Lauren and Frankie to come to Christ since they were little girls. Today God answered my prayers!"*

In September, an RSA team shared the love and Good News of Christ with people in Yei, Southern Sudan. The Lord changed lives at festivals, medical clinics, schools, a prison, pastors' conference and more. The harvest was plentiful as the team ministered in person to 50,000 people with over 9500 recorded decisions for Christ.

One day a Sudanese man named Emmanuel woke up with great joy, not sure why. That morning as he was walking, he saw a poster for the festival in Yei, so he decided to come. When Reid gave the invitation that night, Emmanuel made a deal with God, "God I will accept you if you send that man [Joel Hancock] to come pray for me." Prompted by the Spirit, Joel came and laid his hands on him and prayed for Emmanuel!

Emmanuel wanted a Bible, so Deena Golden told him they would give him one if he came to the compound the next day. He walked many miles the next day to where the team was lodging. There, Deena was honored to give him a Bible

which had belonged to her father who died shortly after she and Tom returned from the Uganda trip in 2007. In so many ways, the mission to Sudan was full of divine appointments and amazing stories as well as struggle and challenges!

### North America

Reid at Creation Fest Northwest.

Throughout the year, RSA served throughout Oregon, Washington, California, Montana, and Vancouver, BC, Canada at churches, camps, conferences, and festivals. Two of these exciting opportunities were Creation Fest Northwest on July 25 (in George, WA) and the Rock of Ages Festival on October 3 (in Calistoga, CA) where Reid was able to share the Good News of Jesus Christ.

The Rock of Ages Festival.

During the fall semester at Corban College in Salem, Oregon, Reid Saunders and Brett Butcher taught Biblical Evangelism, Theology 132. This marks the fifth time

Corban Evangelism class students.

they have taught the 2 credit class, and it has been exciting to participate in equipping young people to reach their family, friends, and the world *All for Jesus!*

### Media

In 2009 RSA also ministered to a potential radio audience of over 7 million in Central America and Africa. Thanks be to God for the doors He opened in and the harvest He brought forth in 2009! He is worthy of all the glory! As the Psalmist says, "Not to us, O LORD, not to us but to your name be the glory, because of your love and faithfulness," (Psalm 115:1).
